

CHAMPLAIN REGIONAL PSYCHIATRIC RECRUITMENT

Meghan Perkins, Regional Recruiter

REGIONAL MENTAL HEALTH & ADDICTIONS SYSTEM

Supported by Champlain Pathways to Better Care, the Champlain region has fostered an interconnected mental health and addictions (MH&A) system. Champlain supports psychiatrists in a regional model that allows for unique, multi-setting practice opportunities across the region.

REGIONAL RECRUITER

Champlain is the only region implementing a regional MH&A human resource strategy. The FREE Regional Recruiter can:

- Match candidate and organizational needs
- Broker for you, Return of Service opportunities and unique multi-setting clinical practice opportunities
- Connect you with hospital and community base practice opportunities
- And more...

PRACTICE OPPORTUNITIES

Practice opportunities in Champlain include high acuity, tertiary level care, acute care, and community based care in both urban and rural settings. Additionally, there are opportunities for academic appointments and research.

CURRENT AND FUTURE PROJECTS

Opportunities for you to get involved in system innovation!

- Champlain Rural Project ECHO
- Shared Care Opportunities (in-person and telemedicine)
- Rapid Access Service
- Coordinated Access
